

Memphis Fire Department EMS Training Continuing Education Units

Welcome!!

The purpose of this page is to provide you with information about obtaining CEU's.

In order to renew their Tennessee License: EMTs and EMT-IVs must have 2.0 CEUs EMT-Paramedics must have 3.0 CEUs

Generally speaking each contact hour of training time converts to 0.1 CEU.

In order to qualify for CEU's a training course must be pre-approved by the issuing agency.

The issuing agency will provide each participant a CEU certificate.

MFD Documentation of Training forms are NOT CEU certificates.

Please Note:

Nationally Recognized Training Courses do not require a CEU Certificate.

The State of Tennessee currently recognizes the following courses for CEU credit:

The BLS SOP training qualifys for 0.5 CEU's through the University of Memphis.

Domestic Violence 2005 state pay classes qualify for 0.3 CEU's.

Sudden Infant Death Syndrome (SIDS) training qualifies for 0.2 CEU's from Middle Tennessee State University (MTSU) .

That is a total of 1.0 CEU for all of this training.

In order to receive a CEU Certificate for any training classes offered by Memphis Fire Department EMS Training you must:

- 1. Attend the classes and fill out all of the pertinent paperwork, rosters, documentation of training forms, and etc.
- Go to any branch of the City of Memphis Credit Union and deposit \$15.00 into account #35996. Tell the clerk that it is a city organization.
- 3. Bring the receipt for the deposit to EMS Training. Certificates will not be issued without a deposit receipt. Requests for CEU certificates must be made **in person**.
- 4. Training must be verifiable by a training roster. Rosters are filed by date. Please try to remember your training date.
- SIDS certificates are issued by MTSU. When certificates are received by EMS Training we will forward them to you via battalion mail. (There is no charge for SIDS CEU certificates.)
- 6. It is **YOUR** responsibility to keep up with your CEU certificate. EMS Training files are for internal use only.

Each EMT is responsible for maintaining his/her training record for 4 years. <u>All CEU certificates must be in your possession prior to renewal.</u> If you renew online, and then earn your CEU's you could be charged with falsification of your renewal application. Do not place your license in jeopardy.
